FFS Registration Information  
Fall 2016, Winter & Spring 2017**

**CHIRS Registration for Fall 2016 through Spring 2017**

CHIRS has two registrations per year—one for the fall, winter and spring sessions, and another for the summer session. Participants registering for programs won't have to re-register for the same programs each quarter, but will have the flexibility to change programs if they want to. For participants wishing to add or drop a program, please contact your intake worker.

**Here are the quarterly dates for your reference:**

**Fall 2016** (October 3rd to December 23rd)  
**Winter 2017** (January 9th to March 31st)\*

**Spring 2017** (April 3rd to June 30th)

*\*Please note that some programs may be affected by March Break. We'll let you know of any changes as soon as we are aware.*

CHIRS services are offered subject to the conditions set out in the service agreement. Program fees and rates are subject to change, and CHIRS reserves the right to cancel programs at any time. I permit CHIRS to use any pictures of me while involved in CHIRS Adult Day Services for the purpose of publishing in the CHIRS newsletter. I permit CHIRS to release basic information that identifies me as a member of CHIRS (name, address, age) for the purpose of obtaining permits for facilities owned by third parties (for example, City of Toronto, YMCA). I accept responsibility for the financial commitments indicated in this registration.
